

**Earth Community Call-to-Action**  
***Possibilities for the next 12 months***

***“Being Responsible Members of Earth Community”***

*Discernment and Learning Opportunities/Creating Awareness and Unified Energy*  
*(next 12 months)*

1. Book Study
  - **Cathedral on Fire: A Church Handbook for the Climate Crisis**, by Rev. Brooks Berndt
  - **This Changes Everything**, by Naomi Klein
2. Lunch and Learns (ongoing)
  - One or two classes each season, fall and spring
3. Collaborating with other groups around new, post-pandemic definitions for economics, community well-being, sustainable agriculture and industry.

*Ongoing Programs*

4. Creating a real and virtual “Earth Community Wall” both for outreach and mutual support
  - Bulletin board of achievements and encouragements
  - Information about the church, i.e. “Did you Know?...”
  - A place to record personal actions and reflections
5. “Earth Community Moments” in worship
6. Commit to participating in citywide/global days of action, as they arise (example: Global Climate Strike March, Get-out-the-Vote efforts)
7. YIMBY instead of NIMBY – “Yes in my backyard”
  - Support and celebration for our own individual projects
